

Brae High School

Week Beginning: 22nd June 2020

Well P4/5, we are nearly at the end of this busy and very different term!

The teachers want the last 2 weeks to be a wind-down to the holidays, like it would be if we were all at school. Hopefully this means that you can enjoy doing other activities and have time to get outside too, if the weather is fine.

Teachers are now getting classes ready for next year. It would be great for you to start thinking about your new class and the information you think is important to share with your new teacher, in the passport activity on the next page.

You can continue to keep in touch with us on our Team or by email, we love hearing from you.

We hope you enjoy this last couple of weeks and can take the time to look back on your year and think of all that you've achieved in that time. We're both very proud of you all anyway, but especially how you've coped with the school closures and life changing so much for everyone.

Take care,

Mrs Hamilton & Mrs Robertson

Week 11 & 12

Here are some fun/choice activity ideas for the last 2 weeks of term 4.

Literacy - Class Passport

Design and make a class passport to share with your new teacher. It should include lots of information about you.

- It could be a booklet, a short video, a PowerPoint, or you can present it how you like.
- It can be handwritten, or you can use the computer.
- You can add drawings, pictures and photos.
- Add colour and design to make it interesting to read.

Things to include in your information about you...

- Name, date of birth and age.
- Home, family and pets.
- Friends.
- Hobbies and sport.
- Likes/dislikes.
- Questions I have about my new class.
- Things I might need help with, or I'm concerned about for the new term.

HWB - End of Term School Picnic

We would like you to plan an end of term school picnic. All the other classes have been asked to join in and we think it would be a lovely thing to do on the last day of term.

Date: Friday 3rd July.

Time: 10:30am.

Enjoy your picnic and take plenty of pictures to share on Teams. We're going to join in too.

To prepare for your picnic, you could...

- Decide where you will have your picnic.
- Make invitations.
- Make bunting.
- Plan the food and drinks.
- Plan other things you will need like blankets, plates, cups etc.
- Organise music, maybe a summer-themed playlist?
- Maybe you could have a theme for your picnic?

Literacy - Reading

Choose a book of your own.

Join the Summer Reading Challenge:

www.summerreadingchallenge.org.uk

Or log on to Oxford Owl

www.oxfordowl.co.uk

Username - 45books

Password - 45books

Numeracy/Maths

Sumdog.

We will put on a mixture of maths topics, covering what you have worked on this term.

HWB - Sustainability Week Pack

Choose some activities from your sustainability booklet that you either didn't complete or would like to do again. There are lots to choose from.

Topic - Living Things

Finish off any activities from the 'Living Things Grid'.

You Choose

Do the things you enjoy over the next 2 weeks.

Keep active, try something new, take photos, pursue your hobbies and take time to get in touch with friends and family.

Have fun!
