

Brae High School

Week Beginning: 22nd June 2020

We are nearly at the end of this busy and very different term. Everybody has worked so hard to complete all the learning activities each week. We wanted the last 2 weeks to be more relaxed, so that you can enjoy doing other activities and give you time to hopefully get outside, if the weather's nice.

Over the next few weeks, the teachers will be getting the classes ready for the new term, so we have planned a few fun/choice activities that you can do over the next few weeks. It would be great to start thinking about your new class and the information you think is important to share with your new teacher, in the passport activity.

Remember to continue to use *Glow*, to keep in touch.

Most importantly have fun and enjoy the next couple of weeks.

Mrs Smith and Mrs Sandison.

Week 11 & 12

Here are some fun/choice activity ideas for the last 2 weeks of term 4.

Literacy - Class Passport

Design and make a class passport to share with your new teacher. It should include lots of information about you.

- It could be a booklet, a short video, a power point, or you can present it how you like.
- It can be handwritten, or you can use the computer.
- You can add drawings, pictures and photos.
- Add colour and design to make it interesting to read.

Things to include in your information about you...

- Name, date of birth and age.
- Home, family and pets.
- Friends.
- Hobbies and sport.
- Likes/dislikes.
- Questions I have about my new class.
- Things I might need help with, or I'm concerned about for the new term.

HWB - End of Term School Picnic

We would like you to plan an end of term school picnic. All the other classes have been asked to join in and we think it would be a lovely thing to do on the last day of term.

Date: Friday 3rd July.

Time: 10:30am.

Enjoy your picnic and take plenty of pictures that we can share on Teams.

To prepare for your picnic, you could...

- Decide where you will have your picnic.
- Make invitations.
- Make bunting.
- Make a list of the food and drinks you will have.
- Maybe you could have a theme for your picnic?

Make a certificate to celebrate the end of P5 or P6 and ask someone at home to present it to you, at the picnic.

Literacy - Reading

Choose a book of your own.

Join the Summer Reading Challenge:

www.summerreadingchallenge.org.uk

Or log on to Oxford Owl

www.oxfordowl.co.uk

Username - brae2020

Password - Primary 56books

Numeracy/Maths

Sumdog.

Practice number bonds and tables.

Make sure you can do them really quickly. This will help with lots of calculations.

HWB - Sustainability Week Pack

Choose some activities in your sustainability booklet. There's lots to choose from.

Topic - Living Things

Finish off any activities from the 'Living Things Grid'.

You Choose

Do the things you enjoy over the next 2 weeks.

Keep active, try something new, take photos, pursue your hobbies and take time to get in touch with friends and family.

Have fun!
