Home Learning Pack

25th January 2021

Dear Pupils, Parents & Carers

On Tuesday 19th January 2021 the First Minister announced in Parliament that remote learning will be extended into mid February, a review is due to take place on 2nd February 2021 where we will be updated on the current situation.

We understand balancing working from home and family life can be challenging, please remember we are here to support you, please keep in communication.

If you/your child is struggling to complete any work, please contact your pupil support teacher for assistance. If there is any time you cannot access the work provided by your teacher, please email your teacher and post a message on TEAMS, if you can access it. However, if you are unable to email or post a message, please phone the school on 01595 745600.

If you need glow support you can contact:

PUPILglowsupportshetland@shetland.gov.uk

To assist with organising your work, we have created this home learning pack to summarise instructions from each subject/class. Also attached is a grid that you can complete and tailor to your needs by populating what is due and when, then tick off as you go.

From 1st February to ease workload for S1 and S2 pupils we plan to rotate subjects on a weekly basis where half of your child's subjects will set work in week 1 and the other half will set work for week 2.

Kind Regards

Mr L Nicolson

Head Teacher, Brae High School

FOR THURSDAY 28 JAN '21:

We have looked at “shops” and this week, we will look at other places in town.

German places in town:

Although this is a crossword, I just want you to identify the words needed to fill it in – there is no expectation to print it out. However, the words you find MUST fit the number of letters required (for example, there are 2 words for “castle” in German – which one do you need?)

Write your answers in your jotter or on paper.

Number them as on the crossword:

e.g. Across:

- 1.
- 2.
- 3.

Down:

- 1.
- 2.
- 3.

and so on.

In meiner Stadt gibt es....

Read the note at the end on the accusative – this changes some words for “a” “the” etc.

Then find the correct German word for each place in town, adding the right word for “a” according to the note.

Best online dictionary is dict.cc

S3	<p>FOR TUESDAY 26 JAN '21:</p> <p>You all have your textbooks home, so I'd like you to do pages 98 – 99.</p> <p>Ex. 1 – make sure you know these items of clothing. DO NOT write out the texts, just numbers 1 – 9 and the missing word.</p> <p>Ex. 5 Using the texts in ex. 4, match texts 1, 2 and 3 with people a, b and c.</p> <p>Ex. 6 – translate these sentences, using the texts in ex. 4</p> <p>You can also use "quizlet" to create your own vocabulary games.
