

Fantastic Artwork!

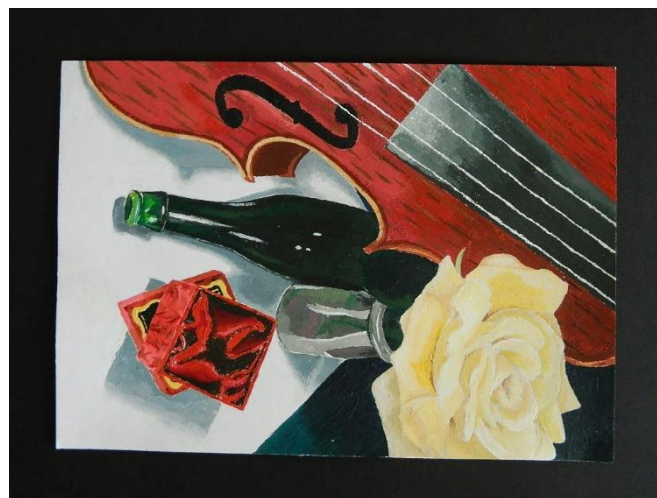

Brae High School had some fantastic pieces of art work selected for the EIS teacher's union 2021 calendar. The chosen pieces were also featured in the SEJ teachers' monthly magazine, along with other school entries.

The chosen entries were two from secondary and two from primary, so congratulations and well done to Rhianna Sim P6, Ava Paton P7, Erin Doull S5 and Imogen Leslie, last year's previous S6 pupil.

The P6 & P7 classes did some observational studies of fish & other sea creatures, using watercolour and coloured pencil. Both classes produced a really high standard of work from all pupils. Unfortunately only one from each class could be selected, but there were many other excellent pieces from both classes. Great work done by all pupils involved!

Imogen Leslie. Completed in S6, Advanced Higher piece. Mixed media/collage.

Erin Doull. Completed in S4, Development piece for N5 coursework.

'Red Mullet' by Rhianna Sim, Primary 6.
