

## TOPIC

**Ourselves and What the Ladybird Heard stories**

## EXPRESSIVE ARTS

**PE - twice a week with Miss Copland**  
**Music - with Mrs Briggs**  
**Art - with class teacher**

## Continuous Provision and the Outdoor Area

Within the classroom area the continuous provision available ensures a range of learning opportunities, with focussed teaching and learning arising from the children's interests. The areas include playdoh, water, construction, block play, home corner, lego, reading and writing areas, loose parts, magnets, etc. In addition, we will spend time outdoors in the tree area.

A wide range of learning takes place within these areas, supported by observations of the pupils and discussion with them.

## TOPIC

What the Ladybird heard stories - farms, London, seashore.

Our Senses - follow on from Senses work in P1. Need for opticians, guide dogs, etc.

Ourselves - eye colour, hair colour, self-portraits.

Our favourite things and what makes us special.
