Signs of Spring

Instructions:

Spring has sprung! Explore **your school grounds/park** and see how many of the following signs of Spring you can find. Tick each one you find. Can you see any other signs that Spring has arrived?

- ✓ **Bluebells** – These bell shaped flowers are often under trees

- ✓ **Tadpoles** – look in shallow water for tadpoles and frogspawn

- ✓ **Catkins** – can you find any furry catkins?

- ✓ **Blossom** – Can you find the white blossom of hawthorn or cherry?

- ✓ **Spotty flowers** – look for the spots on horse chestnut tree flowers

- ✓ **Birds feeding young**

- ✓ **Daffodils**

- ✓ **Caterpillars** – big ones, fat ones, small ones and hairy ones!

- ✓ **?** – What other signs of spring have you seen?
