

Spring Scavenger Hunt

What to do

Try to find as many of the items below as you can. When you find them, put an example in a paper bag. Try to only collect things that have fallen on the ground and be careful – there may be glass or other dangerous items on the ground. Don't put mushrooms or living creatures into your bag!

Something that is growing.....

Leaf mines are made by insects

A tiny flower.....

Something egg-shaped.....

Something blue.....

A small Scarlet Pimpernel flower

Something recycled.....

Petals that have fallen from a flower.....

Something fuzzy.....

A fuzzy grass flower

A sign that an insect has been there.....

Something moving in the breeze.....

3 things that are different shades of green.....

Something new.....

New leaves

Something that reminds you of Spring.....
