Instrumental Instruction 2018/19
Waiting List Application Form - Dunrossness Primary School**

This form can be completed at any time but please return by Monday 30 April 2018 for consideration for August 2018. If you submit the form outwith this time we will action as soon as we have availability.

Please complete this form to place your child on a waiting list for instrumental instruction. We will try to provide a place but please note this is not guaranteed as there are currently no spaces available for some instruments. We operate on a first come, first served basis, in conjunction with the instrument(s) for which tuition is available at your child's school.

The current charge for individual Instruction is set at £200.00 per instrument, per year and the charge for group instruction is set at £150.00 per instrument, per year. Where a child has never received Instrumental Instruction before, they will be entitled to the term in which they commence instruction free. There will be no charge for pupils who have an entitlement to free school meals and/or clothing grant or if a pupil is in Secondary 4 or above and completing their SQA National Qualification in Music.

* Please note that if your child is offered a place for piano, you must have a suitable instrument at home (either a keyboard or piano) for them to practise on. Your child must be prepared to do regular practise if they receive lessons.

In order to provide tuition to a greater number of children, and if the instrument is suitable, it will be at the discretion of each instructor to decide whether your child will be offered group tuition. Your child's progress will be taken into account. If you **do NOT** wish your child to receive group tuition, please tick the box, bearing in mind individual instruction places are limited and this may reduce the chance of a place being allocated.

Does your child have access to any instrument at home on any of the choices you have listed above? This may become significant if we have a space but no available instrument. e.g. brass.
