

# Dunrossness Primary School

## Reporting Procedures for session 2020/21

At Dunrossness School, we recognise the important role parents and carers have in supporting their child's learning. As a school, we provide you with regular information on the progress of your child using a variety of methods.

*'Reporting should be an ongoing process which provides clear information on a learner's strengths, areas for development and specifically what needs to be done to ensure continued progress and improved standards of achievement.'*

Reporting to Parents and Carers. Guidance for Schools and ELC Settings. January 17

In the current circumstances, we are unfortunately not able to welcome parents and carers into the building, as we normally would do.

We are acutely aware of these changes and the impact they could have on your child's education and wellbeing. We will endeavour to be creative and ensure we keep you involved. Please do contact us at the school via email or phone at any time to discuss your child/ren's progress. As currently, we will continue to contact parents/carers if we have concerns regarding your child/ren, out with 'formal' reporting procedures.

We are here to help and support you in any way we can.

## **Term 1**

October

Short written 'settling in' report

Opt in follow up phone call

Curricular overview on the class blog

## **Term 2**

December
