Dear Parents/Carers,

## NOOSC

The Ness Out Of School Club reopening has been a real success. The club is being well used and from feedback, the bairns and staff are very happy. Anna Mainland and Marion Sutherland did a lot of work over the holidays to revamp the club. It is looking great with its makeover!

The children lead the planning and the staff work hard to create a very positive environment. We are really fortunate to have this provision attached to our school. With breakfast club opening at 8am and NOOSC open until 5.30pm we are able to meet most childcare needs.

If you would like to see what they get up to in NOOSC, please have a look at their blog: <https://blogs.glowscotland.org.uk/sh/noosc/>

## Bookings

Bookings can be made:

- In person at the club
- By emailing [anna.mainland@shetland.gov.uk](mailto:anna.mainland@shetland.gov.uk) or [dunrossness@shetland.gov.uk](mailto:dunrossness@shetland.gov.uk)
- By phoning school office
- By phoning the NOOSC mobile 07554117410 from 1.30-5.30pm on weekdays. (We are currently waiting on a new phone to be delivered. We will let you know when it arrives.)

We ask that all bookings for NOOSC are done at least **24 hours in advance**. This allows us to plan staffing, snack and activities for the children we have coming to the setting. We do know and understand that emergencies occur and you may need the service at short notice. If this is the case please phone the school on 01595 745440 to see if the club is open that evening. If there are no previous bookings, the club may be closed. If children are already booked in and we are not at maximum capacity we will do all we can to meet your needs.

If you need to cancel your booking, we also ask that this is done 24 hours in advance. You may be charged for the session if the cancellation is not done in time. Again, we do our best to accommodate emergencies.

## Summer Holiday Provision

We are proposing the run NOOSC on Tuesdays and Thursdays during the summer holidays, subject to demand. A whole or half-day session will be on offer. To enable us to plan for this I will send out an electronic form to gauge interest. We will need the bookings prior to the school closing on the 25<sup>th</sup> June.

The charges for the sessions are as follows:

Half Day	£17
Full Day	£34
Hourly Rate	£4.88

Anna and Marion will work with the children booked in to plan activities and outings. I am sure everyone will have a great time.

If you have any questions or queries, please get in touch.

Yours Sincerely

*A. I. Henderson*
