The Scottish Executive Education Department (SEED) are placing increased emphasis on recording pupil attendance and absence, and specifically accurate recording of absences by reason (i.e not just marked as unauthorised). SEED has issued guidance on how absences should be categorised to ensure recording is consistent across all schools and all Local Authorities.

PHL - Authorised Parental Holiday - Family holidays authorised by school
Family holidays judged to be important to the well-being and cohesion of family
i.e. serious/terminal illness, bereavement, etc.

UPH - Holiday Unauthorised - Holiday Unauthorised by the school.
Family holidays during term time whereby reason for holiday is cheap availability, availability of desired accommodation, desirable weather, overlap of holiday at end/start of term, parents unable to get their holidays in school holidays.

ABS - Authorised Absence - Other - This includes immediate family weddings, bereavements, religious observances, sporting and cultural events not arranged by the school, but approved by them.
