

HAMNAVOE PRIMARY SCHOOL

The Parent Councils has an important role to play in our school, ensuring that our parental perspective is represented and taken into account. Our Parent Council is made up of parent members, co-opt member and an advisor. We meet approximately five times per year.

Our Aims are: -

- To work in partnership with the school to decide on the key priorities to take forward;
- To provide a voice for parents in schools and in their local authority on issues that are important to them;
- Improve the school's understanding of how to engage parents in their children's learning and in the life of the school;
- Provide support to the school to develop strong home/school partnerships;
- Communicate regularly with the Parent Forum to both hear their views and keep them informed;
- Support improvement by discussing the school's strengths and areas for development from a parental perspective;
- Help to raise funds for our School by holding Coffee Mornings, School Disco's etc;
- Help make links with the wider community;
- Capture the unique and varied skills, interests, knowledge and experience that parents can offer.

Please share any suggestions, views, ideas with any of our Parent Council Members.
