

Curriculum Overview – Primary 4/5 – Term 3 2025/26 – Miss Reynolds/Miss Gifford

Literacy

Listening and Talking

- We are developing our skills when speaking within a group, contributing effectively and taking turns.
- We are developing confidence when speaking to an audience whilst sharing our learning with others, either informally or in a presenting situation.
- We can use our skills in listening in talking to support effective classroom discussion.

Reading

- Pupils will have reading books weekly in school which will be read aloud to develop confidence and fluency. Reading will occur individually and as part of small groups.
- Pupils will also engage in various texts every day while reading for enjoyment in class as we work towards becoming an accredited Reading School.
- We are learning to identify the key purpose of a text, as well as the main ideas and key information.
- We are developing skills such as identifying context clues, grammar and layout to aid understanding and reading with expression.

Writing

- We are developing our skills in writing for various purposes. This may include persuasive and reflective writing.
- We are using our knowledge of vocabulary to develop effective texts.
- We can use sentence structure to create interesting texts which appeal to the intended audience.

L&T

LIT 1-02a/LIT 2-02a

LIT 1-09a/LIT 2-09a

Reading

LIT 1-11a / LIT 2-11a

LIT 1-14a/LIT 2-14a

ENG 1-12a/ENG 2-12a

Writing

LIT 1-28a/LIT 2-28a

LIT 1-29a/LIT 2-29a

Numeracy and Mathematics

Fractions, percentages and decimals

- We are furthering our knowledge of fractions and how these appear in our lives.
- We are developing our skills converting fractions to percentages.
- We can use the correct terminology when referring to specific fractions.
- We can use our knowledge of division facts to support finding fractions of whole numbers.

MNU 1-07a/b

MNU 2-07a/b

Expressive Arts

Music

- We will have weekly music lessons with Mrs Pottinger on a Monday.

Art

- We will have art with Mrs Burr on a Friday.

P.E

- We will have P.E with Mr Kirkness on a Thursday.

Project: Electricity

- We are learning how electricity is generated and stored.
- We can identify parts of a circuit and draw these accurately.
- We can discuss how to stay safe when using electricity, and the dangers that it may have.
- We can identify conductive or insulative materials, and their benefits.

SCN -109a / SCN 2-09a

Technologies

- We are developing our ICT skills to support our learning such as how to organise documents, successfully search for information and independently use websites such as Glow.
- We are learning how to stay safe online both in school and at home.
- We are developing our skills in numeracy and literacy through websites such as Sumdog

TCH 1-02a/TCH2-02a

TCH 1-03a/TCH2-03a

Health and Wellbeing

- We can use the Zones of Regulation to identify our emotions and talk about them.

- We can identify people who we can talk to about our feelings and who can help us.
- We are learning how to positively manage changes in our lives.

HWB 1-01a/HWB 2-01a

HWB 1-03a/ HWB 2-03a
