Our plan hasn't changed at all this week - we want to have another go at everything else and the last weeks of term are so busy.

**Four things you can do at home with your family:**

- Can you Choose It, Use It and Put It Away at home? It's tricky to remember all the time!
- Can you take in your favourite book from home to share with us?
- Can you talk about the days of the week at home? Do you go to nursery on a 'S' day?
- Can you talk about something new you played with at nursery?

Hope you have all had an amazing summer?  
We are hoping to still get outside as much as possible so please remember to take in outdoor clothes as well as a change of clothes.  
We're looking forward to lots of fun with the bairns! 😊
