

<p style="text-align: center;"><u>Topic</u></p> <ul style="list-style-type: none"> • I can spot some of the signs of Autumn when we go outside. • I can talk about what I like to do at nursery and at home. • I can talk about what we can recycle and join in games and activities to show what I have learned. 	<p style="text-align: center;"><u>Maths and Numeracy</u></p> <ul style="list-style-type: none"> • I can talk about the numbers in the nursery phonebook and start to try to use it. • I can talk about what age I am. • I can sort some of the nursery toys and things into sizes.
<p style="text-align: center;"><u>Health and Wellbeing</u></p> <ul style="list-style-type: none"> • I can Choose It, Use It and Put It Away when playing. • I can brush my teeth, remembering what the dentists told me about how to do it well. • I can start to share the toys and games in the nursery. • I can talk about ways we stay safe in nursery. 	<p style="text-align: center;"><u>Literacy</u></p> <ul style="list-style-type: none"> • I can join in with nursery rhymes and songs. • I can draw a picture of myself and name parts of my face and body. • I can do good listening and say something to our visitor when he comes in to talk about recycling.

Four things you can do at home with your family:

- Can you remember your phone number and show someone at home the right buttons to press?
- Can you help with recycling at home or tell someone about can be composted?
- Can you show a grown up how we do good sitting at nursery?
- Can you try brushing your teeth all by yourself when you are at home? Remember to get a grown up to check them!

Please let us know if you have any comments about the plan or any suggestions for what else we can do.
