

**Fairy Tales and Nursery Rhyme Ideas – Home Nursery Term 3 Week 6** All of these ideas are cross-curricular but we have chosen a focus for each one below:

Literacy	Numeracy	Health and Wellbeing	Messy/Sensory Play
<p>Here is a link to <a href="#">some fairy tales read aloud</a>.</p> <p>And here are some stories which have lots of bits of different fairy tales and stories in them:</p> <p><a href="#">Charlie Cook's Favourite Book by Julia Donaldson</a></p> <p><a href="#">Each Peach Pear Plum by Janet and Allan Ahlberg</a></p> 	<p>Can you make a beanstalk for Jack to climb up?</p>  <p>You could make it out of junk or blocks or lego. Try to make it as tall as possible. Can you make it as tall as yourself? Can you try to measure it? How many bricks tall is it? Or can you cut around a hand or footprint and use that to count how many hands tall it is?</p>  <p><a href="#">Here is one you could use newspaper to build.</a></p>	<p>Can you choose a Disney film to watch for a Family Film Night? Lots of the Disney films come from fairy tales so choose your favourite. Can you make tickets for everyone and plan some snacks to eat? Maybe you could make a menu and take orders for the snacks? Can you make popcorn? How many minutes does it have to be in the microwave or in the machine? Can you listen for the pops slowing down?</p>   <p>Join in with Hot Chocolate or Milkshake Friday again. We can't wait to see your pictures and milky smiles! Think about all your friends and teachers as you sip your drink – we all miss each other.</p>	<p>Can you build houses for the three little pigs? If you are outside you could use grass for the first one, sticks for the second and stones for the third pig. Can you try and huff and puff and blow them down?</p> 
<p>We don't really do <a href="#">worksheets</a> in the nursery but recognise that some of our older bairns might like doing some at home along with older siblings, and also that it can be really helpful to parents when you have work to do. Here is a link to some fairy tale themed worksheets and colouring pages.</p> <p>There are traditional songs too – <a href="#">here are some Scottish ones</a>. Some of them are really funny! Can you find the one about the <a href="#">granny and a bus</a>? Can you spot the rhyming words?</p>  <p>Here's a Shetland song about a <a href="#">wiggly worm!</a></p>	<p>Can you find some things in your house which would be good for the Three Bears in Goldilocks? Big, medium and small bowls? Hard, medium, firm cushions? Hot, warm, cold drinks?</p>  <p>Lots of nursery rhymes and songs have counting in them. What ones can you sing to a grown up? Can you use your fingers to count while you sing?</p>  <p><a href="#">Here are some videos to help you remember some of the ones we do in nursery.</a></p>	<p>Here are some fairy tale themed <a href="#">Cosmic Yoga</a> adventures to try:</p>  <p><a href="#">Little Red Riding Hood</a></p> <p><a href="#">Goldilocks and the Three Bears</a></p> <p>Can you make a card or craft for someone you love for Valentine's Day on Sunday? Maybe for a granny or grandad who you haven't seen in a while?</p>  <p>Here are <a href="#">some easy ideas</a> you can try...</p>	<p>Can you make a castle or den or cave like in some fairy stories?</p>  <p>Using chairs or tables and blankets, pegs and rope can be good – or big boxes.</p> <p>There are more <a href="#">ideas and pictures here</a>.</p> <p>Making a puppet show to tell your favourite fairy tale is great fun. You could make the three pigs and the wolf and tape them to spoons, hiding behind the couch and popping them up to tell the story. Pictures of their houses would be fun to huff and puff down!</p>
