

## Term 3 – Dance Off Challenge!

### The Challenge.

1. Go to <https://youtu.be/1gUbdNbu6ak>
2. Learn the Wake Up! Dance.
3. Perform the dance

Maybe you can ask someone to record a video or take a photo of you dancing?

Who will dance with you?  
Maybe brothers and sisters?  
Maybe your dad and mum?  
Maybe the whole family?

If you are not into dancing, maybe you can record a puppet or toy doing the dance moves.

Or you could draw a picture of people dancing to the different parts of the song.

For a bit of fun, some of the staff at Aith did their own version of the dance...

Can you do better than them?

Where could you record your dance?
