Dear Parents & Carers,

21/06/2023

Open Evening and Parent Council Involvement

On Tuesday 27th June, the school will have its open evening from 6p.m. to 8p.m. This a chance to welcome all our families and community members in to the school in a relaxed and informal way. Parents can wander through the school looking at what their bairns have been up to and speak with staff.

We have the opportunity to provide teas and fancies during this event, with any donations received going to our parent council fund for supplying breakfast club and free fruit snack for all pupils. For this to be a success we would need help from lots of parents and their friends. We would need some fancies to keep folk fed and some willing volunteers to help feed them. If you could please provide a few fancies by lunchtime on Tuesday 27th that would be very much appreciated. If anyone is able to help with the teas, etc can you please let us know and we can make up a rota.

We will also be looking for some parents to get involved with the parent council. Ideally we would have at least one representative from each year group to help us improve communication and make sure everyone is represented. So please be giving this some thought, the next AGM will be on Tuesday 12th September and we really need new members to help kick start the new academic year. Please put this date in your diary, as it is important to our school.

Yours sincerely

T Fraser
