Dear Parent/Carer

S2 & 3 Shetland Science Trip

We are delighted to share that we have arranged for our S2 & 3 classes to attend the Shetland Science Fair in Lerwick.

The Science Fair will feature a range of engaging, hands-on workshops focused on STEM topics such as eDNA, Biodiversity, Space Junk, and Powering the Future. These workshops are designed to provide students with active learning experiences, sparking interest and enthusiasm in STEM subjects and careers.

The trip is planned for **Wednesday 6 November 2024**, at the Clickimin Leisure Centre. Pupils should arrive at school at the usual time, where they will take a Jamieson's bus to the 0915 hours ferry, returning on the 1525 hours ferry.

Pupils need to take a **snack** and **packed lunch**. If there are any issues with this please contact the school.

If you give consent to your child taking part in this trip, **please reply directly** to this email.

Yours sincerely

Susan Thomson
