Dear Parents and Carers

Prelim Timetable

As prelims will start next week for our S4 pupils, we felt it would be useful to share the prelim timetable with you. Prelims are a great way to help pupils prepare for their National Qualifications by providing them with a similar experience to the final exam as well as allowing pupils to develop their own study skills.

Pupils should be reminded that there are study sessions available after school from Monday to Thursday and they are encouraged to use these as much as they wish. If there are any other resources pupils may need, please let us know. We wish them all the very best with these assessments.

Yours sincerely

Louise Nicholson
