Dear Parent/Carer

Lower Primary Staffing – term 2

At the end of lastr term we let you know what our arrangements were for the staffing of our lower primary class during term 2. Unfortunately, Anne Smith is no longer able to support us this term but we have secured the services of Ruth Fletcher, a very experienced primary teacher who has worked with us many times in the past. Ruth will be teaching the class one day per week and Michelle Coutts will continue teaching 4 days per week.

Mrs Gemma Feeney will also be taking on some additional days to support the learning across all our classes.

Family Learning Opportunities

Can I also draw your attention to the two family learning sessions being offered this term, please see the poster attached. The families who attended these last term had a brilliant time and really enjoyed the activities and how things were set up. This is just a great fun way to spend time in school learning and having fun alongside your child/ children. You would all be made very welcome.

Frances Brown who is organising the sessions says :- *These sessions are for families. We will have a run about activity, a food making activity and something creative! Sessions are really informal. They are aimed at primary bairns, but if you have younger or older ones at home that you want to bring that should be ok, just get in touch!*

So please consider these opportunities and get in touch with the school if you have any difficulties with transport etc.

As ever, if you have any questions or comments to share then please feel free to get in touch.

Very best wishes,

Mark
