

Home Learning Activities - Lower Primary

Here are some optional activities you can complete at home.

Practise your sounds
and try
building/reading words.

Play some games on
Sumdog. You could try
Sumdog spelling and
maths.

Enjoy playing in the
snow! Go sledging,
build a snowman, make
snow angels!

Bake or cook
something to enjoy
with your family.

Practise writing out some
of your spelling words
from last term. You could
write them in the snow!

Practise some addition
and subtraction questions
on Hit the Button.

Wrap up warm and go
for a wintery walk.

What is your favourite
puzzle? Can you complete
it?

Spend time enjoying some
of your favourite books.
It's the perfect weather
to cosy up with a book!

Explore the Topmarks
website. There are
some excellent games
on this site.

Build a model with lego,
blocks or other
materials you have.
How creative can you
be?

What is your favourite
board game or card game?
Play it with a family
member. Good luck!
