6th January 2021

Dear Parents/Carers

Home Learning Term 3 for P1-3 pupils

Pupils in classes P1-3 received a paper pack at the end of last term. As of Monday 11th January the pupils in P1-3 will also have some work tasks shared digitally with you through the school website. We have set up a blog page for P1-3, which we will use to keep you updated with weekly tasks. The tasks will need to be completed by Friday if possible. Your child has two jotters, one for literacy and one for numeracy in their home learning pack. Please use these jotters to record work. Where there is a task that is to be sent back to school this can be either a photograph of your child's work or a word document sent via my glow email address. Please put your child's name in the file name of any word documents. If you wish to use your child's glow email address to return work to me, please use the following link outlook.office.com to log in to their email. I will email your child's login details to your home email address.

The link below will take you straight to class's work tasks.

<https://blogs.glowscotland.org.uk/sh/ollaberryprimaryschool/homework/p1-3/>

This is my glow email address gw08mcginlayjulia@glow.sch.uk please use this to return works tasks and to let me know how you are getting on. Remember we are here to help!

Home Learning Term 3 for P4-7 pupils

Pupils in classes P4-7 received a paper pack at the end of last term. Commencing Monday 11th January, pupils will have a weekly learning grid detailing the activities in these packs shared on their Microsoft Team through Glow. All children in P4-7 will have their GLOW username and password. These tasks are to be completed by the end of each week if possible. Pupils can use the jotters provided to complete their work, or complete activities digitally if more appropriate. Pupils can either submit work by photograph, email or they can use the Notebook on the Teams page. Each pupil has their own section of the Notebook in which work can be saved and accessed by their teachers.

To access the Notebook, click on the *General* tab on the menu on the left hand side. Then click on the Notebook along the menu on the top of the page. Each pupil will have their own folder to save work into.

Please send any work or contact Mrs Peterson and Mrs Cunningham through their glow email addresses:

gw14petersonjennamichelle@glow.sch.uk and gw19cunninghamlynsay@glow.sch.uk

Logging in to GLOW and accessing TEAMS:

- Use Google Chrome as your internet browser
- Click on the link <https://sts.platform.rmunify.com/account/signin/glow> (Here you enter your child's login details)
- Click on the Microsoft Teams tab.
- Click on Ollaberry P4-7 Team. (If you can't see it, check in 'hidden teams').

P4 -7 will also have a daily 'check in and playtime' on Teams. Each morning from 10:40 - 11:00am pupils will be invited to a class meeting on Teams which will take place in the Playground channel. This will be an informal daily catch up supervised by Mrs Peterson or Mrs Cunningham. Pupils will have the opportunity to share their news, ask any questions or chat to their friends.

If for any reason you cannot get logged on please get in touch with us and we can try to sort this for you. Also, if you have limited internet or do not have a suitable device for your child to access GLOW, please contact me at school.

Kind regards

Julia McGinlay

Acting Head Teacher
