

# mad cats and dogs

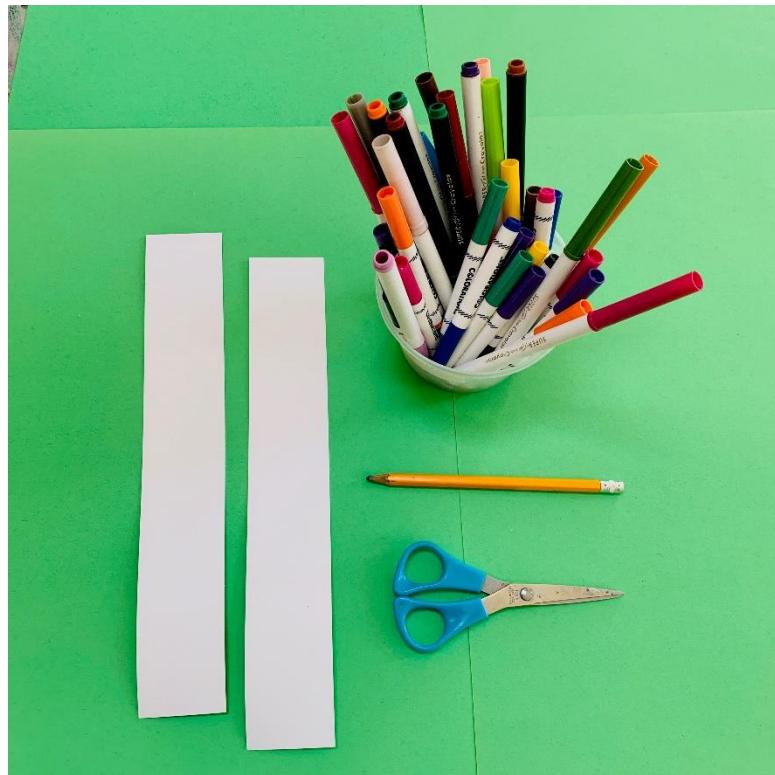

This week's task is to design and build your very own 3D cat or dog.

You will need paper (but thick paper works best old cereal box/wallpaper/old Christmas card/cards)

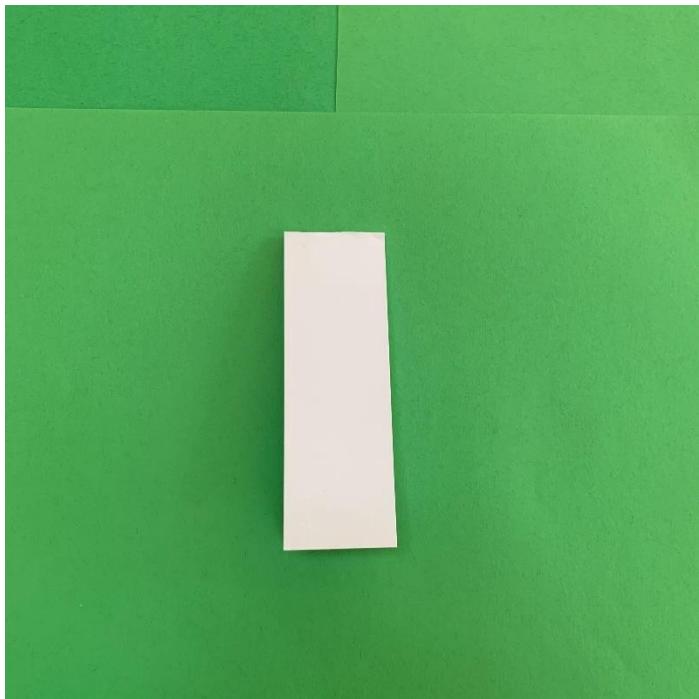

Pencil

Coloured pens, pencils

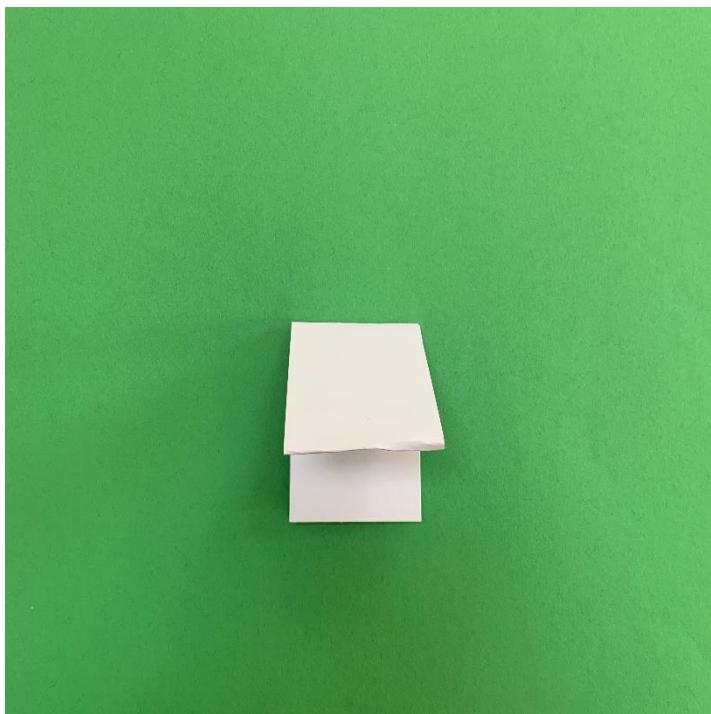

Scissors (ALWAYS BE CAREFUL)

**Take one strip**

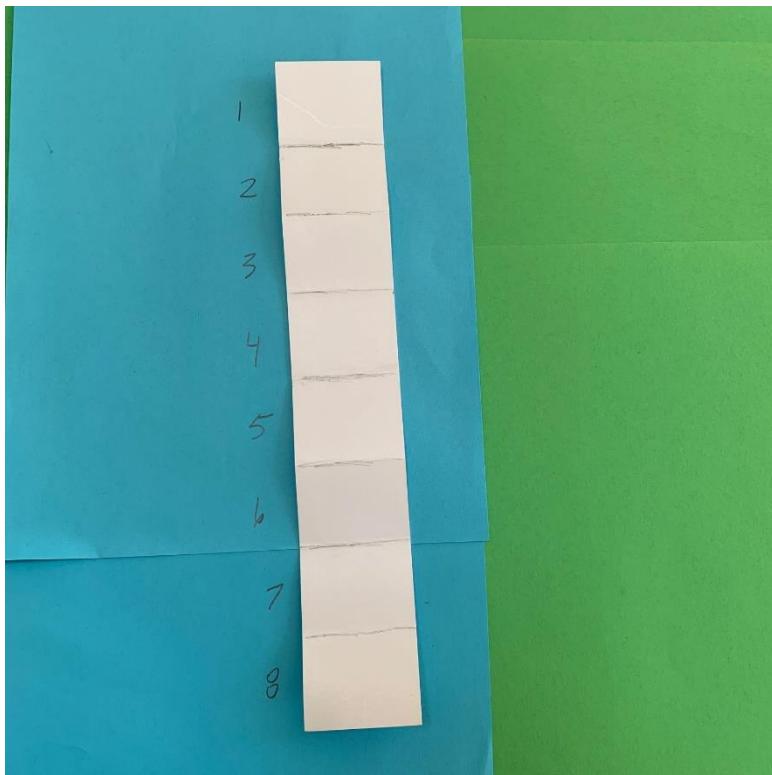

**Fold in half  
again**

**Fold in half**

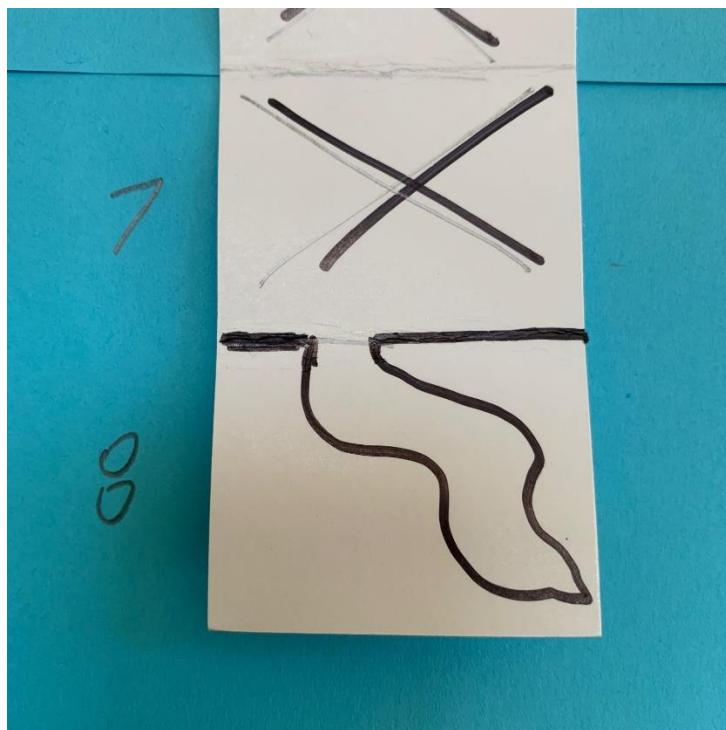

**Fold in half  
again**

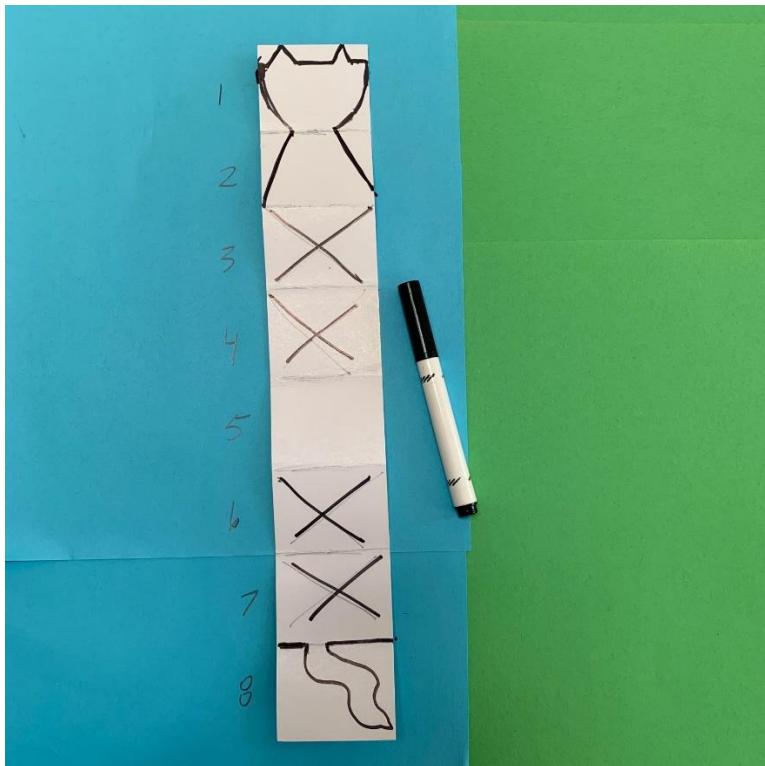

**Open  
and see  
8  
sections**

**Draw a  
head in  
section 1  
and a  
neck in  
section 2**

**Draw a  
line  
between  
7,8 and  
then tail  
in section  
8**

**Draw an X on sections**

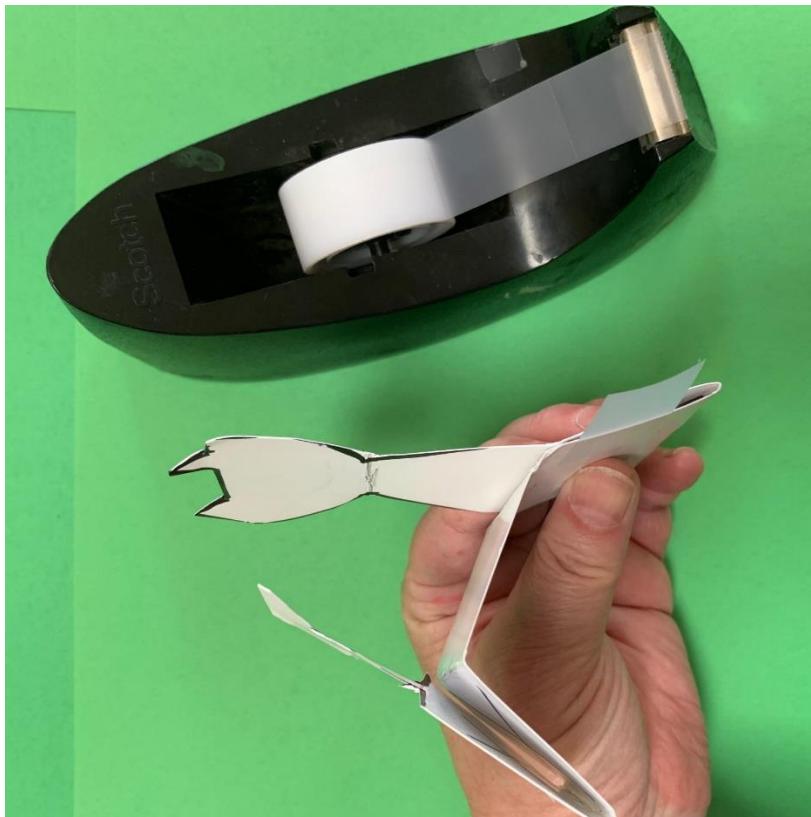

**3, 4, 6 , 7**

**Fold section 3X to touch section 4X**

**Fold 6X to  
touch 7X**

**Tape  
legs on  
sides**

**It  
should  
look  
like  
this**

**Cut front  
legs, so ask  
an adult to  
help you**

**Cut  
back  
legs**

**Draw  
details**

**This is where  
you can add  
patterns  
and make  
the animal  
as bonkers  
as you  
wish...**

**You can make  
this any pet  
wish, you just  
need to add all  
the details**

**Have fun!!**
