

CHAMELEON TIME

This week your Art Task is all about chameleons.

I think they are magical creatures, do you?

what colour is chameleon?

Do you know what happens to the skin of  
chameleon if it gets cold?

what is unique about chameleons' eyes?

1. Draw the simple shapes of the chameleon like in the diagram above.
2. Look at the patterns on the chameleons skin
3. Be sure to add the patterns and textures into your drawing.
4. Colour your chameleon using as many colours as you can. No scribbling. Control your pens and pencils!
5. Remember to create a background for your chameleon.

have fun and remember to look and draw
