

Snow Day - 14th March – P345

Literacy / Topic

We are going to learn about the Pharaoh Tutankhamun.

Watch this video about King Tutankhamun:

<https://youtu.be/dmkDPaHSBzg>

P3

King Tutankhamun was buried in a sarcophagus.

Click on the link I have uploaded on the blog to take a look at it.

Design your own Ancient Egyptian Sarcophagus. I have uploaded this on the blog. If you don't have a printer, try to trace over it or draw your own.

P4

Choose to do the P3 or P5 task.

P5

Create a factfile on King Tutankhamun.

This can be a poster or powerpoint.

Copy and paste this link to find out more information. Have a big bold title and include at least 5 sub-headings.

Nessy – Those who do Nessy in school can log in and practise for 15 minutes today.

Numeracy

Circles

We are learning to add 9.

We have to add 10 first, then -1.

We are learning to add by 11.

We have to add 10 first, then +1.

- Have a go at the adding 9 and 11 worksheet I have uploaded on the blog.
- Use this 100s square to help add 9 and 11. Once you have finished a question click 'reset' at the bottom of the page:

Squares

We have learned a new strategy to add 3-digit numbers with 3-digit numbers.

Click on the following video.

The woman will ask you to pause the video and have a go at the questions. I would like you to do this then go over your answers with her.

- Have a go at the worksheet I have uploaded on the blog.
- **Choose 10 questions to do.**
- Check your answers when you are finished.

Triangles

We are going to continue practising the grid method.

- Click on the grid method powerpoint I have uploaded on the blog. Go through the slides and use the grid method to answer the questions.
- Try the grid method worksheet I have uploaded on the blog.
- You can use a calculator to check your answers once you have finished.

Health and Wellbeing

We will be learning about food health – having a balanced diet and being safe when working with food.

Click on the link below to play 'Cookin Castle' and practise these food health skills:
