

Health & Wellbeing and RME

In RME we will be looking at Buddhism.

In Health and Wellbeing we will be focusing on RSHP.

Languages

In French, we will continue to focus on core skills with some session for P7 to prepare for S1.

IDL - Interdisciplinary Learning

IDL

Our topic is *Animals*.

The key areas we will learn about are:

- Learning how to identify different living things and explore how their features help them survive.
- Researching how animals communicate and discover how sound travels in waves through air, water, and other materials.
- Investigating how plants and animals depend on each other in ecosystems and how we can help, design or care for a wildlife area.

Our other topic is *Chemical Reactions*.

- We will collaborate in activities that safely demonstrate simple chemical reactions using everyday materials. We will begin to understand that a chemical reaction is a change that creates new materials.

This or That

We will continue to explore topics such as *Burns Night*, *Up Helly Aa*, *Random Acts of Kindness Day*, *International Day of Women and Girls in Science* and other themed learning opportunities.

Literacy

Reading: Individualised reading groups and programme.
Novel reading for some groups.

Writing: Throughout our writing we will use elements of our writing programme alongside focus on non-chronological reports, poetry and more.

Spelling: Daily wraparound spelling (individual group).

Handwriting: Progression with joins.

Grammar/Punctuation: Using speech marks.

Library: Our weekly library slot is on **Friday**. This time is dedicated to reading for pleasure and borrowing a book to take home.

Curriculum Information

Sandwick Junior High School

Term: 3
Primary: P6/7
Teacher: Mr Hayes

Home Learning

Weekly home learning will include practicing spellings. Each group receives their spellings on a different day. Please ask your child when their test day is and when they receive their list. If they are unsure, please feel free to contact me.

Termly homework will be issued on *Friday 9th January*.

Numeracy

Number:

Fractions, decimals and percentages
Place Value, estimation & rounding
Addition and Subtraction
Multiplication and division
Expressions and equations

Beyond Number:

Angle, symmetry and transformation
Patterns and relationships
2D and 3D shapes

Mental Maths: *Maths Ninja* or *Daily Mental Maths* (covering key skills)

PE, Art & Music

Mr Thomson's PE: Circuit training

Class Teacher PE: Racket sports

Art: Clay and print making

Mr Travin's Music: Instruments (with a choice of ukulele and keyboard).

Additional

P6 students will be taking part in the *Reading Buddies* programme with P1/2.

P7 students will continue to be taking part in *Grow* £5.
