

Reading	Number Notion
<p>You will be given a new reading book every Monday. Some groups may get a second book on a Thursday.</p> <p><b><u>The book should be brought back into school each day so we can do reading in class.</u></b></p>  <p>You can decide how best to spread the pages out over the week but please ensure that reading is practised regularly.</p>	<p>Please complete a task within the number notion pack.</p> 
Spelling	Numeracy
<p>Your weekly spelling words and suggested activities can be found on Teams. I will also put a paper copy of the lists for the term into homework folders this week.</p> <p><b>Teams – Assignments</b></p> <p>Please write out your spelling words twice and choose an activity from the spelling activity grid to help you learn your words. Spelling words will be checked in class every Friday, so please ask an adult to help you practise the words throughout the week. You can also make up a different way of learning your spelling words if you have any ideas of your own.</p> 	<p>We will continued to explore place value this week.</p> <p>Gather some writing resources and ask your child to write out a two-digit number.</p> <p>Can they tell you how many tens there are and how many ones? Can they work with hundreds too?</p> <p>You could do this on paper, a chalkboard, whiteboard or within paint.</p> 

If you have any queries about your child's home learning, please contact the class teacher via their GLOW email accounts: [gw22summersrichard@glow.sch.uk](mailto:gw22summersrichard@glow.sch.uk)
