

Numeracy	Literacy	Health & Wellbeing
<p>There is a Sumdog competition this week, so you can play some games on there to test out your numeracy skills. https://www.sumdog.com/user/sign_in</p>  <p>You can also do an activity or two from your Number Notion pack.</p> 	<p><u>Movie Night (or afternoon)</u></p> <ul style="list-style-type: none"> • Find a film you would like to watch with your family. It could be a Christmas film, one you have never seen before or an old favourite. • Make tickets for each person who is coming to watch the film. • Make a poster to advertise the film – remember to include the date and time of the viewing. • Can you provide a snack and drink for each person? • Set up the room – is it comfortable? Do you need blankets or cushions? Do you need to turn the lights off? • When everyone is seated, sit back, relax and enjoy the film. • Afterwards you could post on the class team to let us know which film you have watched and if you would recommend it to others. 	

If you have any queries about your child’s home learning, please contact the class teacher via their GLOW email accounts:
