Project: Climate / Weather	<ul style="list-style-type: none"> <li>• Reading: Daily</li> <li>• Numeracy: SumDog (<a href="https://www.sumdog.com/user/sign_in">https://www.sumdog.com/user/sign_in</a>)</li> </ul>																					
Literacy	Think of as many weather related words as you can. Display them creatively. You could produce a word cloud, make a poster or write a list.	Write at least five sentences about your favourite type of weather and why you like it. Draw a picture to go with your sentences.																				
Numeracy	Take a walk along a beach. Find as many different shaped items as you can. This could be rocks, shells, bits of rope etc. Compare the lengths and widths of the items. Try to guess which one is heaviest and discuss the shapes.	<p>Make a tally chart to record the weather. Think of the different types of weather we may have (e.g. wind, rain, sunshine) and record the weather each day using a tally mark.</p> <table border="1" data-bbox="1518 762 1765 906"> <tr> <td>1</td> <td> </td> <td>6</td> <td>    </td> </tr> <tr> <td>2</td> <td>  </td> <td>7</td> <td>     </td> </tr> <tr> <td>3</td> <td>   </td> <td>8</td> <td>      </td> </tr> <tr> <td>4</td> <td>    </td> <td>9</td> <td>       </td> </tr> <tr> <td>5</td> <td>     </td> <td>10</td> <td>       </td> </tr> </table>	1		6		2		7		3		8		4		9		5		10

Other	Take photographs of different types of weather.	Design an outfit for cold weather and an outfit for warm weather. Think about different materials and label your outfits.																				
	<p>Rain cloud in a jar.</p> <ol style="list-style-type: none"> <li>1. Fill a jar with water.</li> <li>2. Add a layer of shaving foam on top.</li> <li>3. Add 5-10 drops of food colouring.</li> <li>4. Watch to see the rain falling from the cloud.</li> </ol>	<p>Create a weather mobile.</p> <ol style="list-style-type: none"> <li>1. Find a twig.</li> <li>2. Let it dry out.</li> <li>3. Make weather symbols using card.</li> <li>4. Hang them from the twig with thread.</li> </ol>
