<p>Maths Online – giving change</p> <p>https://ictgames.com/mobilePage/payForIt/</p> <p>Visit the website and practise giving change.</p> <p>Make sure you select the British flag and work your way up through the levels from change from 10p.</p> <p>If it gets tricky then stay at that level and practise.</p> <p>You could also set up a shop in your house and play pretending to be a shopkeeper. You could practise giving change to your customers (or teddies!)</p>	<p>Next week we will be learning about special naming words (also known as proper nouns).</p> <p>Names of people, pets and places are proper nouns. A proper noun should start with a capital letter.</p> <p>Write down a list of the names of the people in your family. Each name is a proper noun so make sure you start each one with a capital letter.</p> <p>Names of places are also proper nouns. Can you think of any places you have been? Write down their names, remembering a capital letter.</p> <p>Extra challenge: Write out the alphabet and the try to find a place for every letter of the alphabet e.g. A – Aberdeen B – Belfast</p> <p>You could make it extra tricky by trying to find places in Shetland that begin with each letter of the alphabet (although Mrs Grant is not sure if there is anywhere beginning with X).</p>	<p>Vegetables are superheroes!</p>  <p>What is your favourite vegetable? Can you find out why it is healthy for you to eat it?</p> <p>You could use the website below to research some vegetables (the last paragraph on the website is particularly helpful) or you could ask an adult at home.</p> <p>Please draw a picture of your favourite vegetable and turn it in to a superhero like the ones above – you could add a cape and a mask, be as creative as possible!</p> <p>Vegetables are superheroes!</p> <p>vegetable - Kids Britannica Kids Homework Help</p>

Please only complete these tasks if you are able to do so. Stay safe and have fun!
