

Primary 2/3a

Learning Journey - Wednesday 27th May
 Moving up Afternoon - Thursday 25th June
 Digital Week - w/b 18th May

Literacy

- Continue to learn new spelling blends/patterns and recap the spelling patterns previously learned. Become confident with the P2 or P3 tricky words.
- Make improvements to handwriting using correct spacing, heights and formation.
- Develop our writing by including all aspects taught throughout the year and extend our writing by adding more detail.
- Continue to develop our fluency in reading.
- Further develop our group discussion and presenting skills that we have been working on.

Physical Education

- Athletics with Determination and Resilience
- Skipping with Stamina
- Rounders with Cue Recognition.

Art

We are learning to observe and record the shapes and details of daffodils. We are also learning about paint with a focus on mixing primary and secondary colours.

Opportunities for outdoor learning - ●

Other Curricular Areas

- Our topic is Shetland.
- Look at and label maps of Sound, Lerwick and Shetland. ●
 - Identify key features of our local landscape. ●
 - Explore the different industries in Shetland and their importance, e.g. farming, fishing, tourism. ●
 - Discover a range of Shetland foods and how they contribute to a healthy diet. ●
 - Learn Shetland dialect through songs, stories and rhymes.
 - Exploring religious artefacts and their meaning and significance.
 - Developing our awareness of the role of Christianity across Scotland.
 - Think about our own beliefs and think about how to express our opinions respectfully.
 - Explore coding, focussing on spotting bugs and creating code.
 - Think about ways in which we can keep ourselves safe and happy when we are online.
 - Our values this term are inclusion and happiness
 - Our leadership focus is celebrating and sharing our heritage and culture through songs and food.

Numeracy and Mathematics

- Further our understanding of multiplication and division.
- We will be learning about fractions. ●
- We will investigate chance and uncertainty.
- Conduct surveys, gather and record data in a variety of ways. ●
- Interpret information from graphs and diagrams.
- We will look at measuring length, weight and capacity. ●
- We will do some problem-solving using maths.

French

- Revise French greetings, days and months, numbers, colours, body parts, pets and weather.
- Learn about family members, foods and express likes and dislikes.

Homework

- Practise reading aloud to an adult.
- Answer questions based on the book.
- Look at the class blog together.

Music

We will be singing topic related songs with simple percussion accompaniments. We will also be exploring musical genres including classical, folk, pop and traditional music from different cultures.
