

Numeracy	Literacy	Health and Wellbeing
<p>Revise your number bonds to 100 by playing Hit the Button. Select Number Bonds then Make 100. If this is too tricky at first, start with Make 100 (tens).</p> <p>Hit the Button - Quick fire maths practise for 6-11 year olds (topmarks.co.uk)</p> 	<p>Can you write a story about an adventure in the snow? Use what we learned about adjectives, interesting verbs and adverbs last term to help you. If you complete this task, you can bring it in when we return to school to share with the class.</p> 	<p>If it is safe to do so, go outside with your grown up and see if you can spot any animal footprints in the snow. What size and shape are they? Can you identify what animal may have made them?</p> 

Stay safe and have fun!
