

Numeracy	Literacy	Health and Wellbeing
<p>Soon we will be starting a maths topic on multiplication. Can you revise your times tables with this maths fishing game?</p> <p>Maths Fishing - Multiplication - Mathsframe</p> 	<p>Use one of the story starters to write an imaginative story:</p>  <ul style="list-style-type: none"> The kids rushed outside, and stopped in amazement. Everywhere they looked in the wintery street were snowmen, some towering above nearby parked cars... Night fell earlier now, and the inky darkness surrounded the cabin as the snow started falling more heavily... 	<p>Make a cosy corner using pillows and blankets. You could use it to draw, read a book or play a board game while keeping warm inside.</p> 

Stay safe and have fun!
