

Term 1 Curriculum Overview

● Indicates Outdoor Learning opportunities

Primary 7

English

- Reading - we will focus on finding key information from texts to answer a range of questions. We would encourage pupils to read a range of texts at home to develop fluency and expression. Our class novel, this term, is Holes.
- Writing - most of our writing will be topical and will involve poetry, character description and self-reflection
- Listening and talking will be embedded through topic work

Other Curricular Areas

- ICT - We will learn how to code Microbits making links with IDL and health topics. Learning will also focus on identifying hardware/software and how to make strong passwords
- Health will focus on self reflection, children's rights and relationships
- RME will focus on personal values and respecting individual beliefs we will also be learning about Judaism throughout the year
- In IDL we will be learning about why plants are important to human survival, how they grow and what their main characteristics are ●

Mathematics

- Maths revision
- Mental Maths strategies
- Place value
- Decimal fractions

Physical Education

This term we are doing football and rugby and will focus on developing our fine motor skills
