

A reminder of workshop expectations

All students when working in the workshop should be wearing the following PPE:-

- Safety Glasses (provided)
- Apron, workshop jacket or boiler suit (all provided) students may bring their own in if they wish.
- Gloves when working with hot or sharp materials (provided)
- Some form of sturdy footwear i.e. no open shoes/pumps, no cloth. (Not Provided) students may bring in their own safety footwear if they wish.

Many Thanks
