Numeracy

- ⊗ When outside can you count how many cars you see? You could even try tallying them with your families help
- ⊗ Can you put your shoes in size order? Maybe go further and do all wellies in size order, then smucks, trainers or ALL together?

Rhyme: Rain, rain, go away.
 Can you practise this song together? Sing, do the actions? Can you say your name at the right place? Can you draw an umbrella? Click on this link to hear it [Rain rain go away](#)

This week we are suggesting a focus the **outdoors** – walking, biking, scootering however you do it is good for your self esteem, sleep quality, mood and reduces stress, anxiety and fatigue!

Ways to promote HWB:

- Draw a picture and post it through the letter box of an elderly neighbour or someone who is having to isolate and cheer them up
- Make pancakes and have a treat breakfast. Click on this site [good food pancakes](#) for lots of different ideas.

Story: Monkey Puzzle

Literacy

- ⊖ When outdoors can you go on a letter hunt – how many can you see?
- ⊖ Do you have a colander and spaghetti at home? You could work on your fine motor skills by threading the spaghetti through the holes

Colours - Focus on a

different colour a week: this week is orange

Have a hunt in house and see what different things you can find that are orange. How many things can you draw with an orange crayon/pen? Can you find orange things outside too? What does the colour orange make you think of?

PE suggestion – outdoor exercise! Get out at least 1x a day and try to ride your bike/scooter/roller skates/walk/run however you want but try to be active for 15 mins.

These are just ideas you can suggest to your child and see where they take it.

Have fun, share what you do on Learning Journals in the 'parent contributions' section.

Take care and be safe EYD Team
