

Our craft packs have activities that tie in with this grid. Have fun with the craft ideas suggested and recipes. We look forward to seeing what you get up to when you share on Learning Journals.

Sandwick Early Years Department
Home Learning. *Week beg Tues 9th Feb, Term 3, 2020*

Numeracy

⊗ Sorting is lots of fun and can be done in many different ways depending on what you've got in your house. This picture shows a child sorting with sweets – say you use smarties and draw simple circles to get them to sort by colour. You could use Lego, toy animals the list goes on.

Literacy

• Do you have Duplo at home? You could write the alphabet on the blocks – upper + lower case and they can spell, make alphabet towers, match upper + lower and so on

Rhyme: Itsy Bitsy Spider

Do you know this rhyme? Did you know there are actions you can do with your hands? Could you make a spider and draw rain? Can you sing this with your family? Listen to it [here](#)

This week we are suggesting a focus on the **love**. Its Valentines day on the 14th – do you know what that's about? Is there someone special to you? Maybe you can let them know how much they mean to you.

Colours - Focus on a different colour

a week: this week is blue Have a hunt in house and see what different things you can find that are blue. How many things can you draw with a blue crayon/pen? Can you find blue things outside too? What does the colour blue make you think of, remembering the 'Colour Monster' story may help.

PE suggestion – yoga. Yoga is a great way to feel calm + happy. It is something we do in school regularly. There is Yoga kids, books and my fave the tree pose you can do. Lots online to help too

Ways to promote HWB:

- Let someone you care about know. Make them a special card and give to them. Share on facetime or through the post.
- [cute cookie pops](#)

Check out this recipe

Story:

Please click on the link below to enjoy a familiar face read to you. This week's story is called Kangaroo at the Zoo by Leslie Sims + David Semple. [story read by Rebecca](#)

A reminder to please do:

- Every term we ask your child to do a self portrait of themselves. On an A4 piece of paper please ask your child to draw themselves. Please do not interfere, just let them draw as they think it should be.
- Please note down everything that they say about their drawing, whatever they say eg "this is my pink hair"

These are just ideas you can suggest to your child and see where they take it. Have fun, share what you do on Learning Journals in the 'parent contributions' section.

Take care and be safe EYD Team
