

Numeracy

The maths activities always reflect what we have been working on during the previous week.

Click on the link to find a game using numerals and words to practise place value.

[Place Value Charts - Topmarks](#)

Literacy

Spelling homework is a follow up from the week's lesson. You will find a choice of fun spelling activities and the spelling lists for the term in assignments. The second assignment is the sheet you can write on if you have no printer or find it difficult to upload work. There will be a spelling test on Friday, so please make sure you have practised before then. (Please keep the jotter at home)

Reading pages can be found in your class notebook in TEAMS in the homework section. Reading books will go between home and school and should be kept in a bag.

Health & Wellbeing

The forecast is good for the weekend. Why not try go out for a Beach Treasure Hunt - How many different things can you find on the beach? For example: shells, sea glass, driftwood, pebbles, etc.

If you have any questions or concerns, please email me at: gw08hutchisonjulie@glow.sch.uk

Please share any learning with me by returning a photograph or writing on the sheet in **assignments**.

All tasks should be returned by Friday morning each week. Thank you
