

Numeracy	Literacy	Health & Wellbeing
<p>There is a maths sheet for you to complete this week. You can print it out or write the answers, take a photo and return as usual or, if you find that to complicated, simply click on the link to find a sequencing game. Choose "up to 1000" for a challenge.</p>  <p>Coconut Ordering - Comparing Numbers, Prices, Mass, Length and Capacity (topmarks.co.uk)</p>	<h2 style="text-align: center;">SPELLING</h2> <p>Spelling homework is a follow up from the week's lesson. You will find a choice of fun spelling activities and the spelling lists for the term in assignments. The second assignment is the sheet you can write on if you have no printer or find it difficult to upload work. There will be a spelling test on Friday, so please make sure you have practised before then. (Please keep the jotter at home)</p>  <p>Reading pages can be found in your class notebook in TEAMS in the homework section. Reading books will go between home and school and should be kept in a bag.</p>	 <p>Autumn Leaf Art - Go for a walk outside and collect items to make a picture on the ground all about Autumn.</p>

If you have any questions or concerns, please email me at: gw08hutchisonjulie@glow.sch.uk

Please share any learning with me by returning a photograph or writing on the sheet in **assignments**.

All tasks should be returned by Friday morning each week. Thank you
