

Numeracy

Play to practise your number bonds on hit the button this week. First make sure you know the number bonds to 10 then challenge yourself by trying bonds to 20 then 100! 😊

Literacy

Spelling homework is a follow up from the week's lesson. You will find a choice of fun spelling activities and the spelling lists for the term in assignments. The second assignment is the sheet you can write on if you have no printer or find it difficult to upload work. There will be a spelling test on Friday, so please make sure you have practised before then. (Please keep the jotter at home)

Reading pages can be found in your class notebook in TEAMS in the homework section. Reading books will go between home and school and should be kept in a bag.

Health & Wellbeing

Optional Activities:

Try a family fun game of walking Eye Spy - On one of your walks this week. See if you can spot something that begins with each letter of the alphabet.

If you have any questions or concerns, please email me at: gw08hutchisonjulie@glow.sch.uk

Please share any learning with me by returning a photograph or writing on the sheet in **assignments**.

All tasks should be returned by Friday morning each week. Thank you
