

Numeracy	Literacy	Health & Wellbeing
<p>We continue to concentrate on addition and subtraction this term, and will also begin to learn times tables. Using your Number Notions pack, please vary the activities to practise these skills. Remember to log into Times Tables Rock Stars (ttrockstars.com) to build on quick recall of tables facts.</p>  <p>Please look after this pack as it will be collected at the end of the year to pass on to the next class. Thank you 😊</p>	<p style="text-align: center;">SPELLING</p> <p>Spelling homework is a follow up from the week's lesson. You will find a choice of fun spelling activities and the spelling lists for the term in assignments. The second assignment is the sheet you can write on if you have no printer or find it difficult to upload work. There will be a spelling test on Friday, so please make sure you have practised before then. (Please keep the jotter at home)</p>  <p>Reading pages can be found in your class notebook in TEAMS in the homework section. Reading books will go between home and school and should be kept in a bag.</p>	<p><u>Optional Activities:</u></p> <p>Outdoor Spelling - Have a look at your spelling words for this week and create them using natural resources (For example: sticks, stones, etc.)</p> 

If you have any questions or concerns, please email me at: gw08hutchisonjulie@glow.sch.uk

Please share any learning with me by returning a photograph or writing on the sheet in **assignments**.

All tasks should be returned by Friday morning each week. Thank you
