

Numeracy	Literacy	Health & Wellbeing
<p>We have started a unit on telling the time, please help your child to practise these skill by using the clock in the Number Notions pack, Time tools: 12-hour to the minute (scootle.edu.au)</p> 	 <p>Spelling homework is a follow up from the week's lesson. You will find a choice of fun spelling activities and the spelling lists for the term in assignments. The second assignment is the sheet you can write on if you have no printer or find it difficult to upload work. There will be a spelling test on Friday, so please make sure you have practised before then. (Please keep the jotter at home)</p>	<p><u>Optional Activities:</u></p> <p>Ice Hunt (weather permitting!) - Go for a walk and see if you can spot any icicles. Stay away from any frozen lochs, take an adult with you and be safe! If it's nice, simply take a walk in the sunshine.</p> 
<p>To build on quick recall of tables facts. Times Tables Rock Stars (trockstars.com)</p> <p>Please look after this pack as it will be collected at the end of the year to pass on to the next class. Thank you ☺</p> 	 <p>Reading pages can be found in your class notebook in TEAMS in the homework section. Reading books will go between home and school and should be kept in a bag.</p>	

If you have any questions or concerns, please email me at: gw08hutchisonjulie@glow.sch.uk

Please share any learning with me by returning a photograph or writing on the sheet in **assignments**.

All tasks should be returned by Friday morning each week. Thank you
