

Numeracy	Literacy	Outdoor Learning
<p>Times Tables Practice If you have any spare time at home, spend some time practising your times tables! This will really help with our work on multiplication and division in class. Here are a few online games which may help: Click here for fun practice activities! Click here for 'Hit the Button'!</p> <p>Number Notion Use the grid in your Number Notions pack to practice your maths skills.</p> 	<p>Spelling Assignment This week you should check your assignments for your spelling word list and activity. Please practise these words throughout the week. You can use your homework jotter or use the attached word document to complete this. Please attach a photo of your spelling homework to the assignment for me to see. Those working on Nessy should continue to do so.</p> <p>Reading This term reading books are going home. There will be a marker in each book showing the pages we have done in class that day.</p> 	<p>Heart Hunt Can you find any heart shaped stones this week? Beaches are a good place to explore!</p>
