Numeracy	Literacy	Health & Wellbeing
<p><u>Number bonds for 10</u> Choose 10 objects to use. Split these 10 objects into 2 groups. How many do you have on each side. Can you write a sum to go with that? Put the objects back together again and do it again. See if you can do all the number bonds for 10.</p>   <p>Have another go at "Hit the Button" See if you can beat your score.</p>  <p>Choose 'number bonds' and then 'make 10'. Hit the Button - Quick fire maths practise for 6-11 year olds (topmarks.co.uk)</p>	<p>Spelling: <u>SS and ZZ words</u></p> <ol style="list-style-type: none"> 1. mess 2. dress 3. floss 4. glass 5. fuss 6. moss 7. chess 8. buzz 9. fizz 10. you <p>Draw a neat picture of each of your spelling words. You could try get an adult to guess what you have drawn.</p> <p>Reading: You can use your school reading book or a book from home to answer some questions.</p>	 <p>Go for a look outside, if it is safe to do so. What can you see? Can you see any prints in the snow, if so, what animal do you think has made these? Can you see any icicles? See how many different things you can find in the outdoors.</p>  <p>Put your French colours to the test as we have been doing in class. Ask an adult or a sibling to find something of a specific colour but say the colour in French. For example: Find something that is ROUGE! Or find something that is VERT! You could take it in turns. If you don't fancy</p>

Who is your favourite character and why?

What was your favourite part of the story and why?

Rhyme - How many words can you think of any words that rhyme with ice? E.g slice.
Draw a picture of 3 of them.
