Primary 2B

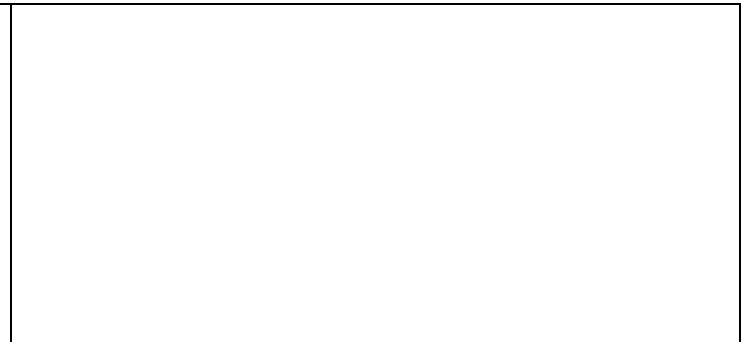

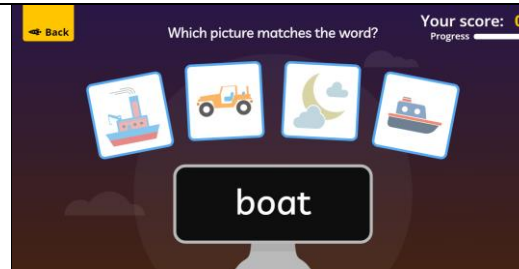

Numeracy	Literacy	Health & Wellbeing
<p><u>Circles and Squares Groups.</u> Adding and taking away in tens. With an adult or sibling, get them to choose any number between 0 and 100. Can you say the answer to +10 and -10 of that number? Example 56. + 10 = 66 -10 = 46 Remember not to count up in 10 ones but just to add one ten! https://www.youtube.com/watch?v=zau4jtSA_kY&ab_channel=JackHartmannKidsMusicChannel</p> <p>You can use visual props if you need. Such as lego bricks. Or you can use this tool to make visualise tens and ones. https://www.didax.com/apps/ten-frames/</p> <p><u>Triangles Group - Numbers to 30</u> Get an adult to write down a number between 0 and 30. Can you say the number before and after that number? Example:</p>	<p>Test your sounds again! Can you beat your score from yesterday? See if you can say them and write them. Can you think of words that have that sound in them? Example qu, could be quack.</p> <p>ai, ue, oi, j, x, er, sh, ch, th, ng, oa, ee, qu, or, ar, b, oo, ie, d.</p> <p>Remember a verb is a doing word. Examples: Sitting, reading, building. Look at the busy winter scene below the grid. How many verbs can you find? Example pulling a sledge! Can you get more than 10? Choose 3 to write in a sentence. Example "The girl is pulling the sledge"</p> <p><u>Reading - digraphs</u> Click on the link to access the game. Read the words and find the correct picture, there are 3 levels to play. Pick A Picture (phonicsplay.co.uk)</p>	<p><u>Snow Angels</u> - Have you made a snow angel yet?</p>   <p>One of the ways we can show respect is by being polite. Try extra hard to remember to say please and thank you today.</p>

16

Before = 15

After = 17

Can use visual number line if needed, try without first though.

Thursday 18th of January 2024

Stay safe and enjoy the snow, Miss Gifford.
