THE SNOWY DAY

Watch the story clip

How many of the exciting things Peter does in the snow can you do? Get dressed up warmly and go outside to try.

Draw me a picture or take photos of you trying them.
Have a go at writing a sentence telling which one you enjoyed the most.

Can you make more than 5 snow angels or more than 10 snowballs?

Email photos of your fun day as I can wait to see what you get up to.

Have fun.
