July 2019

Dear Parent/Carer,

Here we are again school uniforms time, and for this year, we have had a small price increase.

On the back of this page, you will find a picture of a hooded sweatshirt with the new Sound Primary School logo on it. Please note the logo is embroidered directly onto clothing and will not have a white background; this is for the example only. For your information, there is a list of clothing colour options.

We are aware that parents/carers found it difficult to know when orders were ready. To resolve this problem, we will now phone and advise you that your order is ready for collection.

Please complete the form below and return it to Intersport with payment by 05/07/19 or as soon after this date as possible to guarantee delivery before the start of the new school session in August.

Yours Sincerely

Dawn Anderson
