

P3/4 Snow Day Grid 17/01/2024

<p>Practise telling the time. You can;</p> <ul style="list-style-type: none"> • Use a clock to tell the time. • Keep a time diary of your snow day. • Play Maths Frame time game by clicking this link. • Make a clock using a paper plate. 	<p>Find a cosy spot and read your AR book (P4) or a book of your choice.</p>	<p>Go outside and sledge or build a snowman. Have fun in the snow.</p>	<p>Practice your times tables. P3 – 2, 5, and 10 P4 2, 3, 4, 5 and 10</p>
	<p>Complete the daily mile in the snow, look for footprints and write a list of the footprints you see and who they belong to.</p>	<p>Science – Build 3 small snowmen and place them in containers. Place them around your house and time/observe how long it takes them to melt.</p> <p>Draw/take a picture of each snowman every half an hour and observe the difference.</p> <p>You could try making coats for two out of different materials and put them all in the same place. Predict which one you think will melt first and observe what happens.</p>
