Dear Parent/Carer

## Homework for pupils self-isolating

Primary teachers will post Home Learning activities on Blogs and Teams for pupils self-isolating or waiting test results. Please be aware that this takes time as our teachers are class committed. In the meantime, please look at the Whalsay School blog 'Home Learning' page [here](#), where you will find links to activities for almost all curricular areas.

Due to more practical approaches to teaching and learning in school, it is not always possible to send home what is being taught in school. However, the home learning activities on the class Team or class Blogs will keep their literacy and numeracy skills fresh until they come back to school.

See below where you will find their home learning.

## Primary 1 and Primary 2/3

Please see links below to the P1 Home Learning Blog and P2/3 blog where you will see 'Home Learning' tabs for each class.

[Primary 1](#)

[Primary 2/3](#)

## Primary 4-7

Pupils can access Home Learning activities under the **Files tab** on their class Team.

If you have any further questions, please contact the school.

Yours Sincerely

P. Irvine and L. Irvine  
Depute Head teachers
